Dear Sponsor:

The Peninsula Engineers Council (PEC) respectfully requests your support as a Corporate Sponsor for our annual banquet honoring the Engineer of the Year and Young Engineer of the Year. This program will be held Sunday afternoon, February 26, 2017, at the end of National Engineer's Week. The banquet will cap off a busy week that includes a Career Days event hosted by the PEC, Newport News Shipbuilding (NNS), NASA-Langley and Jefferson Lab and held at the NNS Apprentice School Athletics Center, Marshall Avenue, on February 23 and 24. At this 2-day event, 600-hundred regional high school students will have an opportunity to interact with local scientists and engineers and learn about technology careers.

The PEC is an inter-society council comprised of representatives from organizations dedicated to strengthening and promoting the engineering profession in the Peninsula area. The member organizations consist of 17 local chapters of engineering and technical societies and two government organizations. The purposes of the PEC as stated in our constitution are to: (1) Promote the observance of National Engineers Week; (2) Select and recognize a Peninsula Engineer of the Year; (3) Coordinate efforts in furthering engineering education in the schools and colleges in the area and to increase the interest of youth in the engineering profession; and (4) Provide a forum for the discussion of problems and activities of common interest. Your sponsorship will help the PEC to fulfill its mission.

For your consideration, the PEC has established three levels of support with specific benefits to donors for each:

<b>Level</b>	<b>Benefits</b>
\$200	<ul style="list-style-type: none"><li>• 2 tickets to the annual banquet</li><li>• Your organization name and logo recognition on a banquet flyer insert</li></ul>
