Banquet Brochure Committee

Each year an advertising firm creates a Banquet Program, with ads from various firms involved with engineering. The brochure contains a description of each member society, a list of awardees, names of past PEC Presidents, copies of proclamations, and other pertinent information. The brochure is similar to a yearbook that describes the current National Engineer’s Week activities. A member of the council is appointed by the President to co-ordinate this activity, to update member societies’ entries, supply honoree biographies, update the various lists of past Presidents, awardees, etc. and getting the package to the publisher for printing, etc.

Each year the advertising firm that creates the Banquet Brochure sells ads to various firms involved with engineering, which nets a profit for the PEC to support our activities. Therefore, this is a very important activity. We are allowed to include pertinent information into the program such as:

- President’s Welcome
- Banquet Agenda
- List of PEC Officers & Committee Chairs
- Biographic Sketch and Photo of each Engineer of the Year Award Nominee
- Biographic Sketch and Photo of each Doug Ensor Award Nominee
- List of Past Engineers of the Year Award recipients
- List of Past Doug Ensor Award recipients
- List of Past PEC Presidents
- A short “Annual Report for the PEC” which describes its activities
- A Society Page for each member society consisting of less than ½ a page description of the societies activities, including a local point of contact. The Society Pages are provided or at least approved each year by the society’s PEC delegate. The society pages should be arranged in alphabetic order
- Full page narrative and photo for the Engineer of the Year
- Half page narrative and photo for the Guest Speaker
- Half page narrative and photo for the Doug Ensor Award Winner
- Membership list of the PEC including all classes of membership
- Other information or National Engineers Week news.

Helpful information
Putting together the PEC Banquet Program handout is a fairly straightforward process that essentially involves collecting materials and delivering them to a typesetter. The process is outlined as follows:

1. Obtain all computer files and from previous years program. (See Ops Manual CD)

2. Distribute the previous years society write-ups to current member societies for update. This should be done early in the year so that the updated versions can also be used in the PEC web page.

3. Contact program sales representative to establish a deadline for program materials. The sales representative is responsible for selling advertisement space, typesetting the program and printing it. ('03-'04 this was done by Mr. Bob Darling, (804) 343-1635, AlPine999@aol.com)

4. Coordinate with person responsible for collecting the City/County Proclamations to ensure their availability by program deadline. ('03-'04 this was done by Mr. Dan West, ardan@rcn.com)

5. Obtain from PEC President:
   a. President’s Welcome address.
   b. PEC Officers and Committees list.
   c. PEC Member Societies list.
   d. PEC description update.

6. Obtain from Engineer of the Year Award (EOY) Committee:
   a. Photo and bio of EOY winner.
   b. Abbreviated bio of nominees.

7. Obtain from Doug Ensor Award (DEA) Committee:
   a. Photo and bio of DEA winner.
   b. Abbreviated bio of nominees.

8. Obtain photo and bio of featured banquet speaker, and the subject of his/her talk.

9. Compile and edit write-ups as required and provide to sales representative by deadline.
